Waterville, Sept. 25th.

My dear Miss Coburn,

The enclosed letter needs no comment of mine, but I know you will be gratified to see it. After reading and showing to friends when you may wish to see it, please return it to me as soon as convenient. I feel that it ought to be sent around to those who signed the petition. I want to write you at length but lack of time forbids. Suffice it to say now that our petition has been very kindly received by the friends of co-education. The enemies are yet to be heard from.
Write me soon and tell me what you hear of it; I wish you all the best.

Mary Carter.
