

## Colby College and Maine Huts & Trails Partnership

**We are excited to welcome Colby College as our first Academic Partner!**

**Under this partnership, Colby College faculty, students and staff are entitled to a 25% discount on individual and family memberships at Maine Huts & Trails.** We would like share a bit about Maine Huts & Trails and the benefits associated with membership.

Maine Huts & Trails is a nine year old, non-profit organization. Our mission is to provide public access to the beautiful western Maine mountain region through a people-powered recreational corridor, contribute to the economy of the region and to encourage environmental stewardship now and in the future. Our initial vision includes 180 miles of trails and 12 eco-lodges. We currently offer 80 miles of trails from The Forks to Carrabassett Valley, near Sugarloaf, and four eco-lodges (huts) along the corridor which provide unique opportunities for four seasons of recreation including skiing, snowshoeing, hiking, paddling and biking. Each hut has its own trailhead which allows you to choose to visit one or more huts at each visit. During full-service seasons, each stay includes delicious home cooked meals prepared with locally sourced ingredients, hot showers as well as a great selection of wine and local brews. For more information, please see our website at [www.mainehuts.org](http://www.mainehuts.org) or call us at 207-265-2400.
