Strongly agree
Comments:
The material was really interesting! It was cool to learn such a current and exciting area of math.

3. The workload and pace of this course seemed appropriate.
Strongly disagree
Comments:
Presentations were good, and I think there should have been more emphasis there. However, there were far too many problem sets. Also the exam was highly unwarranted.

Very interesting course. However, the distribution of work needs to be examined. Emphasis on exam and problem sets needs to be removed. In fact, I don't think there should be an exam at all. Scott was very helpful for students.
