RE

A Book of friends. May it include
The wise, the witty and the shrewd.
And such as own the double art
That makes them friends of head and heart.
May those who stand recorded here
Grow dearer with each added year.
Acquaintance into friendship grow
And friendships ever brighter glow.
"Old friends are best," we lightly say,
But as they fall upon the way,
Keep full the ranks with newer friends
Till time the adjective amends
