## **TAHA KARAAN AND MJC – AKFARUL KAAFIRREN (THE GREATEST KUFFAAR) OF THIS ERA**

Qiyaamah cannot be in the too distant future. In our midst the preponderance of the worst scum under the canopy of the sky –worse than khanaazeer (swines), and worse than even the idol-worshippers is the rotten scoundrel of the MJC with Taha Karaan, Iblees-in-Chief in total abnegation of the Command of Allah Azza Wajal, declaring to the ignoramuses who follow the MJC devils that *Jumua; Salaat has been suspended.*

In the more than fourteen century history of Islam NEVER EVER was there a suspension of Jumuah Salaat nor of any Salaat. Despite thousands of Muslims, including numerous Sahaabah and senior Taabieen being martyred in the severe plague in the Land of Shaam during the Khilaafat of Hadhrat Umar (Radhiyallahu anhu) never was Jumuah suspended. All Muslims, those affected by the plague, those suffering from the disease, and the healthy ones – all of them performed Jumuah and every Salaat in Jamaa't in the Musjid having in their hearts with the firmest conviction the proclamation of Rasulullah (Sallallahu alayhi wasallam): **“LA ADWAA”** *There is no contagion.*”

Regardless of what the atheist medical experts say and regardless of what the ape, jaahil sheikhs and moron molvis say, disease is NOT contagious. It overtakes only by Allah's command. It being Allah's punishment cannot be

contained, cannot be thwarted, cannot be eliminated, and no earmarked person will escape its apprehension. The plague has a trajectory to follow. It has its obligation of apprehending all those for whom Allah's *Athaab* has been decreed. None of the earmarked victims will escape regardless of whatever measures are adopted to combat the plague. It will run its divinely ordained course.

In suspending Jum'ah the Cape Town Devils of the MJC with their Chief Shaitaan, Ta Ha Karaan, have set themselves up as the adversaries of Allah Azza Wa Jal. They should now await for their necks to be broken by Divine Chastisement. The *La'nat* of Allah Azza Wa Jal has already settled on them. From their faces percolates pure shaitaaniyat. They reek of the vilest odours which shaitaaniyat emits.

There is no need to produce Qur'aanic Aayat and Ahaadith narrations to bolster the fundamental importance of Jum'ah. There cannot be any sincere Muslim who is unaware of the imperative importance – of the fundamental importance of Jum'ah Salaat. Only munaafiqeen and zindeeqs of the rotten MJC ilk masquerading as Muslims can have the shaitaani temerity to announce the suspension of Jum'ah Salaat. These enemies of Allah, enemies of Rasulullah (Sallallahu alayhi wasallam) and the enemies of the Ummah are the worst traitors to Islam who have appeared in the history of Islam.

Never in Islam's history have Muslims been confronted by a disaster of this magnitude. The destruction of the Muslim World and horrendous brutalities of the Mongols, and even the destruction of the Muslim lands under the communist domination of the Soviets, were not as horrible and abominable as the announcement made by the Khanaazeer Murtaddeen of the MJC. They have put swines to shame with their vile kufr announcement.

They have no Imaan. They have no belief in the Aakhirah and they have all along been munaafiqeen slinking in the community as 'leaders' and 'ulama' when they are in reality the Agents of Iblees. Those Muslims who have some understanding of Islam should know that Salaat behind these murtad scoundrels is not valid.

May the *La'nat* and *Ghadhab* of Allah Azza Wa Jal apprehend them. May Allah Ta'ala destroy these *Shayaateenul Ins* whom Rasulullah (Sallallahu alayhi wasallam) feared more than even Dajjaal.
