Messages about your Standard Offer electricity supply

Central Maine Power provides billing services for your electricity supplier. Supply payments are forwarded on your behalf, in accordance with the Maine Public Utilities Commission (MPUC) rules.

Competitive bidding for the right to supply Standard Offer electricity is supervised by the Maine Public Utilities Commission.

Your electricity providers for Standard Offer service for the period March 1, 2015 through December 31, 2015 as selected by the MPUC are New Brunswick Power Generation Corporation for 34%, Constellation Energy Commodities Group Maine, LLC for 44% and TransCanada Power Marketing Ltd, for 22%.

The old price was 7.5603 and the new price is 6.5441 cents.

For additional information regarding Standard Offer Service, please see the MPUC web site at: http://www.maine.gov/mpuc/electricity/standard_offer/index.shtml.

New Brunswick Power Generation Corp. (34%)
Fossil Fuel 54.7%
Hydro 22%
Nuclear 15.4%
Other renewables 7.9%

Maine Green Power allows you to select the participation level that best suits your home or business:
Half block – 250 kWh per month - \$3.75 (Available to residential customers only)
1 block – 500 kWh per month - \$7.50 (Roughly equivalent to the average households usage)
2 blocks – 1000 kWh per month - \$15
3+ blocks – Residential customers are limited to 4 blocks (at \$7.50 each), but businesses can set their desired level.
